### Getting to Lund

Most international connections are through **Copenhagen airport (CPH)** or **Copenhagen main station**. At either location, find red/grey vending machines (from Skanetrafiiken) to obtain single or group train tickets to **Lund Central** (via the Öresund Bridge) with your credit card, else buy from the booth nearby. Trains are frequent, and **reach Lund within 35 to 45 minutes**. Find the schedule at <http://www.skanetrafiiken.se>. Please note that **return tickets** are valid only for 24 hours. If you land at **Malmö airport (MMX)**, you reach Lund by bus (40 minutes). See <http://www.flygbussarna.se/>.

### Hotel (for speakers only)

Rooms include breakfast at Hotel Lundia (Knut Den Stores Torg 2, [www.lundia.se/](http://www.lundia.se/)) and **Hotel Duxiana** (St Petri Kyrkogata 7, <http://www.lund.hotelduxiana.com/>), both in the center of town, some two minutes from the station. Please, see the **map** and the **reservation note** next to the **list of speakers**, below, to find your hotel. Those staying at the Duxiana may want to bring an alarm clock; the DUX does not give wake up calls.

### Venue

We start with coffee at **10:00 am** on **Thursday morning** on the **first floor** of **Kungshuset in room 203**, the red brick building just **north of the dome**, Lund's landmark. All talks are in **room 203**. **Slots are 60 minutes**, including at least **20-25 minutes for discussion**, followed by a five minute break. There is a **projector** and a **laptop computer**. Bring your presentation on a **USB stick** or **e-mail it** ahead, same if you need **handouts**, to [frank.zenker@fil.lu.se](mailto:frank.zenker@fil.lu.se) by **Dec 4<sup>th</sup>**. **Mac users**, please bring a **video adapter**.
